Students' FAQs

1. What Course/Stream shall I choose if I wish to appear for IAS/IPS/UPSC/Civil Service Examination?
Any candidate with minimum 21 years of age and having completed graduation from **any stream** can appear for the exam. Traditionally, students preferred BA and subjects because that degree gave them better preparation and more time for studies (from all fields). But Medicine, Engineering or Commerce graduates can give the test and succeed. Students in Std 11/12 may select subjects that interest them, as the UPSC exam has both General Studies and an optional subject (which can be from graduation). The UPSC Prelims, Mains, and Interview test general knowledge, analytical ability, and communication skills. Secondly, select a

professional course like Law or Judiciary Examinations. Thirdly, even if the candidate is unable to clear the exam, he/she has a professional degree in hand and can pursue professions as a lawyer.

2. What are the prerequisites of Architecture?
Students who are good in both creativity and technical subjects (Physics, Chemistry & Maths) are the right candidates to pursue architecture. It is best to pursue Science-A Group after 10+2 to appear for competitive exams for Architecture like NATA, JEE MAIN (PAPER-2).

3. How can I get into Teaching Profession?
Students interested in teaching must have command over their subject, sound knowledge, and passion to teach. One can pursue a Bachelor of Degree followed by B.Ed. to enter school teaching. To get into college/university teaching, one must pursue a Master's degree and clear NET/SET exams. The following qualities are helpful:

- Ability to build relationships with students
- Dedication to teaching
- Communication skills
- Capable of engaging students in learning
- Knowledge of learners

4. Where can I pursue a degree in Interior Design/Fashion Design?
In India, there is no specific degree in the area of Interior or Fashion Design alone. One has to pursue a degree in Design and then select/specialize in Interior or Fashion Design. By this method, one can pursue one's dream. Apart from this, there are private institutes with diploma/certification programs in various fields of design, which include Interior/Fashion Design. These courses can be pursued after 10+2. Also, there are Master level programs available in these areas.

5. How can I become an Ethical Hacker/Pursue Degree in Hacking or Cyber Security?
In India, there is no specific degree in the area of Hacking or Cyber Security at Bachelor Level. One has to pursue a degree in Computer Application or Information Technology and then select/specialize in Cyber Security (offered by limited private institutes). Apart from this, there are private institutes with diploma/certification programs in Cyber Security/Ethical Hacking. These courses can be pursued after 10+2. Also, there are Master level programs available in these areas.

6. How can I become a Game Designer/Application Designer?
One has to pursue a degree in Computer Application or Information Technology and then select/specialize in Game Design/Application Design. One can also pursue a degree in Animation and Multimedia, which covers aspects of Game Design/Application Design. Apart from this, there are private institutes with diploma/certification programs in these fields. These courses can be pursued after 10+2. Also, there are Master level programs available in these areas.

7. How can I get into Event Management?
One has to pursue a degree in Business Administration or Mass Communication and then specialize in Event Management. Apart from this, there are private institutes with

diploma/certification programs in Event Management. These courses can be pursued after 10+2. Also, there are Master level programs available in these areas.

8. How can I become an Air Hostess/Stewart?
Any student who has passed standard 12th with English as a compulsory subject and has good command on language can apply for this field. Since this is a skill-based program, no specific educational degree or diploma is required for recruitment. The selection is based on written knowledge, group discussion, physical appearance, and suitability for the profession. The qualities required are:

- Pleasing Personality
- Friendly Nature
- Good Appearance
- Good Communication Skills

9. How can I become a Pilot?
Any student who has passed standard 12th (basically Science-A Group) can attain a Pilot Licence. The three stages are: Student Pilot Licence, Private Pilot Licence, and Commercial Pilot Licence. The training is offered by private pilot training schools and government flying clubs. The selection is based on entrance tests, medical fitness, and personal interviews. After completion of the course, the Directorate General of Civil Aviation (DGCA) conducts a written exam and issues the licence. The Air Force also offers pilot training for those who clear the NDA exam. The minimum age for a commercial pilot licence is 18 years. After completion of the training, one can apply for jobs in airlines or charter companies.
